

Discover high-performance and innovation with affordable titanium eyewear. Cutting edge materials and precision craftsmanship deliver flexible, effortless frames for everyday comfort and resilience.

MX946

Embrace Durability in Sleek Designs

Modz Titanium and ModzFlex offer premium quality, durability, and all-day comfort—without the premium price. Crafted from titanium for its lightweight feel, hypoallergenic properties, and unmatched strength-to-weight ratio, these minimalist styles redefine everyday wear.

Modz Flex goes a step further with exceptional flexibility, ensuring resilience and perfect fit.

Men and women seeking the highest quality and sophistication available in eyewear today will appreciate the accessible price point.

Features: metallic hues, spring hinges, rimless and semi rimless styles, flex bridges
